

# ENGLISH CORNER

## LUIS SOLANA AN EUROPEAN SECTION

Since the beginning of the year, our school is an European Section, that involves more English in our school, we learn some subjects in English as Science, Drawing and Painting and P.E. (Physical Education) and, of course: English Language. Our teachers (not only the English ones) are improving their English with our American assistant (Cliff) every Tuesday at 3 o'clock in the afternoon.

We are labeling our classrooms and school materials in English, our principal main is to see the English Language everywhere. Here there are some examples:

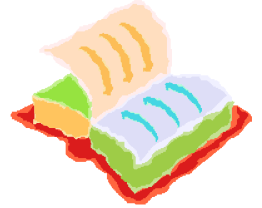

### DINING HALL

### SECRETARY'S OFFICE

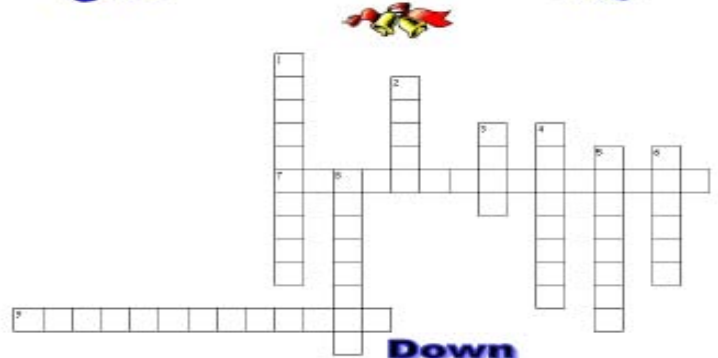

### BOOK

As every year our school has been celebrating Halloween, from Infant Education until the last course of Primary Education, we have decorated our classrooms and the corridor, and we came to the school dressed up as monsters, skeletons, witches, vampires... The previous week children brought pumpkins with candles inside (Jack' O' Lanterns) and they learnt songs and rhymes about Halloween. We enjoyed this celebration very much.
